Walk & Chalk

NOVEMBER 2024

(National Homeless Youth Awareness Month)

Grab your chalk, take a walk, and express your message to bring awareness to youth homelessness

From coast to coast we're encouraging individuals and businesses to come together to share powerful creations that inspire change and hope for at-risk youth. Make every step count—one sidewalk at a time!

Share Your Art: Snap a photo or video of your expressions and share them on social media using **#WalkAndChalk**, **#ChalkAboutYouth**, and tag **@StandUpforKids** to amplify your voice.
